

# GE's VIRTUAL DEPOSITION PLATFORM

OUR REMOTE PLATFORM OFFERS THE FULL CAPABILITIES YOU HAVE COME TO EXPECT FROM OUR DEPOSITION SERVICES.

## ADVANTAGES

### NO TRAVEL

You, your colleagues and clients can easily connect remotely from your home or office.

### EASY ACCESS

Invited participants can attend your depositions or meetings without downloading executable and clunky software.

### TEXT STREAMING

Attendees can follow along with the court reporter's transcript in real-time.

### LIVE VIDEO

Remote conferencing with full audio and video for up to 300 participants using GE's Virtual Deposition Platform.

### ELECTRONIC EXHIBITS

Introduce, mark, and share electronic exhibits on your computer with the witness and opposition counsel.

### SECURE PLATFORM

All data and communications are secured end-to-end using 256-bit TLS encryption.
